Here is some information about **DJ DUNE** (Oliver Froning):

Founded in 1994 by Oliver Froning (among others), **DUNE** created groundbreaking music with their signature sound that was a mixture of Techno, Rave, Happy Hardcore and a touch of Early Hardcore. As a forerunner and pioneer of the new and growing dance music movement, **DUNE** made music history, saw huge worldwide success and received Gold and Platinum awards for the hits that included: "Hardcore Vibes", "I can't stop raving", "Million Miles from Home", "Rainbow to the Stars" "Hand in Hand" and "Are you ready to fly".

Even to this day, **DJ DUNE** fills the dance floors of clubs and festivals like Tomorrowland, Defqon.1, Mayday, Nature One, HTID, Parookaville, Decibel just to mention a few, all over the world with this unique sound.

At events from Moscow to Poland, America to Sydney, Berlin to Amsterdam, the crowds are going crazy for this energetic and rousing sound.
