

## **BIOGRAPHY - MARSHALL MASTERS**

The Godfather of Hardcore, Marc Acardipane is the creator behind monikers such as Marshall Masters, Mescalimum United, Pilldriver, Rave Creator and the co-founder of Planet Core Productions (PCP).

He is widely regarded as a result of his prolific career in electronic music, which spans from 1989 to the present day.

With the 1990 masterpiece, "Mescalimum United - We Have Arrived", Marc mapped out his sonic blueprints spawning the heavier, hardcore end of the techno spectrum. The global impact and influence of this record was huge.

Marc's music has had hundreds of releases on many renowned labels and has been one of the most influential electronic music artists to date.

Acardipane's discography possesses a unique timeless quality, difficult to achieve for many who try to follow in his footsteps.

He continues to inspire today's electronic music's generation, illustrating the unique and powerful state-of-mind his productions bring forth.
